SEAB
SOUTHEAST ASIA BUILDING

EDITORIAL MISSION

Southeast Asia Building (SEAB), published since 1974, is a Singapore-based trade magazine devoted to architecture, interior design, landscape architecture, roof & façade and facility management. Published six times per year, Southeast Asia Building is a leading source of information on all aspects of building news, projects, technology, trends, products and services. Our editorial mission is to provide timely, accurate, interesting and unbiased content to our readers. Southeast Asia Building has a powerful and all-encompassing industry presence in Print, Digital, Social Media and Exhibitions.

PRINT

The print version of Southeast Asia Building has become one of the most widely read architectural magazines in the region for providing unbiased and intelligent editorial content. Every issue of the magazine features market news, industry awards, building projects, product reviews and exhibition reports to ensure that readers are kept in the know. Our readers use that information to make informed business decisions and lead their companies to success.

Every year, we dedicate the September/October issue to Green Buildings and Sustainable Architecture. This issue showcases green building techniques as well as energy efficient and eco-friendly product reviews with colourful visuals and in-depth information.

DIGITAL

Southeast Asia Building is also available on the digital platform so that our readers are always within reach.
